

BRAIN-BOGGLING BOOKPLATE

Roald Dahl thought that reading was one of the most important things in the whole world, so why don't you share your Roald Dahl favourites with your friends? Every time you read a Roald Dahl book just fill in a bookplate like this one, stick it into the front of the book and pass it onto a friend. It will eventually come back you, and you'll be able to see what all your friends thought of the book too!

"If you are going to get anywhere in life you have to read a lot of books." Roald Dahl
