

CONCERTINA CROCS!

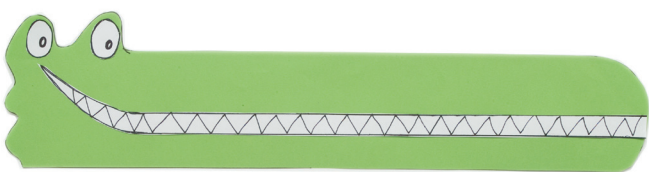

Make an enormous crocodile that gets more and more enormous!

You will need: Green and white paper, pencil, ruler, scissors, glue, pen

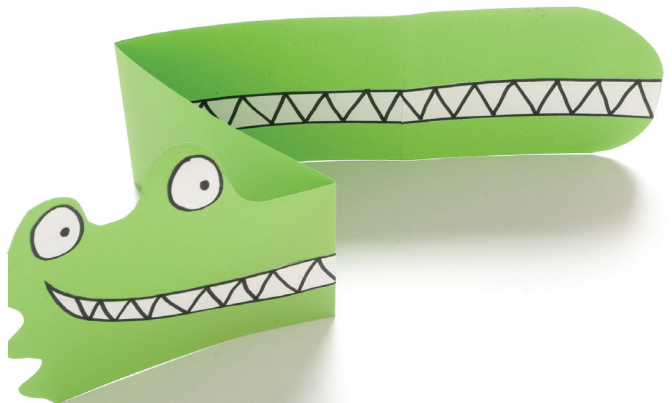

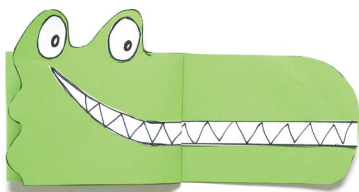

- Draw the outline of the crocodile on a large piece of green paper and cut it out

- Cut out two eyes and some teeth in white paper and glue

- Fold in half in the middle

- Fold top flap back in half to reveal the eyes

- Try making a giraffe with a neck that gets longer and longer!
